

Engine Oil

Viscosity: 15W-40

Industry Specifications: API CI-4 ACEA E7

OEM Approvals - Only for Automotive: FPI9.LUBR001-T2 E7

OFF-ROAD & MARINE

Range:

Long description: Engine Oil 15W-40 is a mineral based formulation engine oil developed in co-engineering with FPT to offer high performance and protection for the engine. Its particular formulation is obtained as a result of thousands of hours of laboratory, bench and field tests. Engine Oil 15W-40 is suitable off-road and marine engines where API CI-4 or ACEA E7 are required, and satisfies the requirements of both SCR and EGR technology engines. Fully backward compatible with previous E7-16 classification.
